Letter from the President

Welcome Ladies and Gentlemen to the Thoroughbred Chorus' 61st Annual Show. We have a spectacular performance planned for you. Each year we try to bring something new and exciting to the show and I hope you like what you see and hear. We of course have the long established traditions that make our show distinct to the Thoroughbred Chorus as well. We know you look forward to that as much as we do.

We had a very busy 2009. In February we sang for many Lovers on Valentine's Day; March we sang at the BINGO Hall we sponsor for fundraising efforts; in May the Chorus sang at the Howard Steamboat Museum in Southern IN and at Slugger Field for the Military Appreciation Day on Memorial Day; We opened the 105th Kentucky State Fair in August and later that month sang at the Chorus sponsored Karaoke finals of the Jeffersontown Gaslite Festival, in September we sang for the 100th Division annual convention; November we sang right here in Memorial Auditorium for "An Evening in America 1944", a Wayne Hettinger production with proceeds going to Honor Flights benefiting WWII veterans. And sprinkled among these performances we sang at local Nursing and Assisted Living homes. We also donated nearly $8,000 to local music programs, charities and children's programs.

We love to sing and share our love of music with others. If you know someone that would be interested in joining us in song, please have them call us or stop by to participate in one of our Monday night rehearsals. All are welcome.

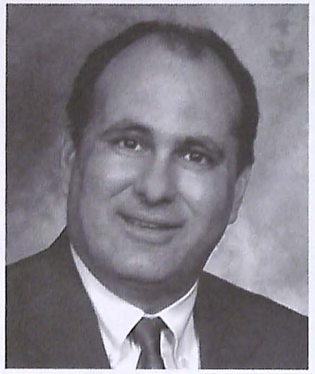
Special thanks to all the volunteers that made this show possible: especially our wives and significant others that support us in our love of music. Thank you to all the workers in the lobby that are selling CDs, hot apple cider, coffee and sweets. And those that helped decorate.

Finally, a special thanks to all the members of the Thoroughbred Chorus that have worked so hard to make the show a success. Your many hours of work will be well rewarded.

Ladies and Gentlemen, thank you for being a part of our 61st Holiday Celebration.

Happy Holidays and please enjoy the show!!

Eric Hunstiger
President



Dave Duncan, Music Director

Welcome! Your continued interest in and participation with the Thoroughbreds is so very gratifying. With so many performing arts opportunities in the Louisville area, we know we have to compete to satisfy, entertain, educate and celebrate with our audiences.

What's so special about 61? Well, it's more than 60! As we add years to our history, the Thoroughbreds continue working to balance strength and growth.

Through a strong commitment to quality and innovation we literally hold the future in our hands and voices. It is up to us to help prepare the next generation of singers and performers and we need your help to accomplish this important task. Without an audience, all of our careful preparation has no chance to reach out and change lives.

In our performance, you'll see and hear some of the changes we've made in the last year to work towards that goal.

Thank you again for all of your support over the years; it's certainly changed our lives and will continue to do so. *If you enjoy our performances, tell everyone you* know and invite them to come along and join us for the journey (some of you have done that). If you find something you don't enjoy, tell us (and many of you have done that too) and we'll make improvements.

So, don't even think about sitting back and relaxing during the show; we want you on the edge of your seat with excitement and anticipation.

Here's to today and the future!

Reed Yadon, Emcee

Reed Yadon is a Louisville native, and is returning for the third year as emcee of the Thoroughbreds' Annual Show.

Reed is a meteorologist and helicopter pilot for WHAS 11, forecasting weather for over 25 years in Louisville. With the exception of college and the Army, Louisville has been home. Don't be surprised if you think you've heard his voice in other places. He records flight arrival and departure announcements heard in airports around the world. Reed's television work has been recognized with numerous national awards including two Emmy's. We appreciate Reed's time, talents and friendship with the Thoroughbreds!

Those interested in a historic setting will find the Thoroughbred Hall a real treasure. The cornerstone was laid July 3, 1833. After a fire, the new building basically as it appears today, was dedicated September 8, 1895. It was purchased by the Thoroughbred Chorus in 1981 and subsequesntly placed on the National Register of Historic Buildings.

The Alley Cats

"America's Premier Doo-Wop Group"

Formed at Fullerton College in 1987, The Alley Cats have made it to the forefront of a cappella music with their renditions of timeless Doo-Wop classics and their zany improvisational comed. Through the years, the Cats have performed with notable celebrities such as Jay Leno, Rascal Flatts, and The Beach Boys. Whether they are entertaining the President at the White House, or "edutaining" students in their nationally recognized Arts Education program, The Alley Cats bring the same level of energy to every show. Having entertained audiences for over 20 years, it's no wonder they have earned the title of "America's Premier Doo-Wop Group."

Alley Cats' CDs will be available for purchase in the Lobby.
